Terms and Conditions

1. Sponsors commit by signing the attached form and emailing it back to the organizers of the event. This constitutes a commitment from the sponsor to provide funds to the specified value, and sponsorship will not be confirmed until the signed document has been received and confirmation has been sent from conference organizers confirming the sponsorship
2. The sponsor package prices must be paid in full in USD. Any other currency or credit card payment will result in a 5% surcharge to cover for transaction and currency conversion costs.
3. Where sponsors do not pay an allocated invoice after the invoice has been issued the sponsorship privileges may be temporarily revoked until the payment is made. Any dispute on invoicing should be raised with conference organizers as soon as possible to avoid the need to revoke sponsorship benefits. Where invoices are not paid and there is no acceptable reason for the delay, any withholding of sponsor privileges is to be done at the sole discretion of conference organizers
